

Kneeland School and Ferndale Repertory Theater are collaborating again to bring a spectacular theatrical experience to all students and communities in Humboldt and Trinity counties! Kneeland School students in grades 6-8 wrote a play for the entire student body to design, choreograph, costume, produce, and perform throughout the second week of December. The performance is free to all schools and plays at 10:30 AM, M-F from December 11-15. There is one evening performance open to the public on Wednesday, December 13th at 6:30 PM — free and family friendly.

Join us for this hilarious journey through history to learn little known facts about commonly studied people, and the origin of inventions you never knew you needed to know about! Be prepared to laugh!

Schools: For reservations, call 707-786-5483

For the Wednesday Evening performance, please call the school at 707-442-5472 (or, be at the theater by 6:15 PM. Reservations are not required.)

## DUDE! WE'RE HISTORY!

Four students attempt to get their history teacher fired so they never have to go to history class again! Much to their surprise, a jolly magic man gifts them a journey through time they will never forget! The students face shocking adventures with cavemen, risk death in the days of bubonic plague, withstand a fetid assault to their nostrils, and find out that movie stars and musicians can win world wars.

The students learn about toothbrushes, hand washing (poor Semmelweis), Ben Franklin's farts, electrocuting turkeys, the dawn of wi-fi, and the birth of popsicles before they finally return to modern days. The jolly fat man opens their eyes to all the wonder that history holds, and maybe just how awesome their teacher actually is.

It's a root-tootin' romp through time!
